The following evaluation pattern for Monthly Tests (MTs) of PUC-II, Semester-II of the Academic Year 2019-20 has been proposed in the video conference of the Hon'ble Vice-Chancellor held on 10/08/2020 with the Administrative Officer, the Associate Dean Engineering, the Associate Dean Sciences & Humanities, the Controller of Examinations (CoE) and the Additional Controller of Examinations.

a. MT-I and MT-II marks will be considered for final internal marks instead of the earlier practice of two best MTs out of three. Students who have given MT-I and MT-II, best one out of two MT's will be considered and shall be doubled. In case, if a student has failed to appear for either MT-I or MT-II, in such case respective MT marks in which student has given exam will be doubled.

b. In the case of the students who failed to appear for both the MT-I and the MT-II, such student will get no marks.

This evaluation pattern is for the Semester-II of the Academic Year 2019-20 as a one-time measure.
