

RAJIV GANDHI UNIVERSITY OF KNOWLEDGE TECHNOLOGIES
Basar, Mudhole Mandal, Adilabad-504107, Telangana

Dear Sir/Madam,

Sub: RGUKT-Payment of fee dues by **student**

Greetings from RGUKT

The primary objective of establishing RGUKT was to provide high quality educational opportunities for the aimed rural youth of Telangana.

The University charges very nominal fee when compared to other Universities and affiliated colleges. During the initial years of commencement, the student was permitted to remit the fees before completion of course. However, it is noted that quite a few number of students have not cleared the University fee dues. Some students have not remitted even nominal amount towards fees. The University is facing serious objections from the audit regardingfor huge sums of outstanding fees.

Your Son/daughter who is studying Engineering in this University has to remit arrears of fees. You are therefore called upon to remit the dues before end of October, 2016.

In case of non-payment of the outstanding fee by the stipulated date, your ward will not be permitted to attend the classes nor shall he/she be permitted to write the end semester exams. Hence, you are therefore called upon to remit the dues at the earliest, failing which the University will be forced to initiate necessary steps to collect the dues.

ADINISTRATIVE DIRECTOR

Basar,

Date: 20.9.2016
