

Outreach Program – For I.T.I (boys), Nizamabad

The Department of Mechanical Engineering of RGUKT Basar has conducted One Week ***“Training and Skill Development Programme on CNC Machining”***, for Govt. I.T.I (Boys) Nizamabad from **15th July 2019 to 20th July 2019** as a part of **Department Outreach Program**. The main aim of the program is to train the students on high end equipments available at RGUKT Basar which works on the latest technologies in manufacturing. Through this program, the students are expected to undergo a rigorous training and hands-on experience on the machines which would give an edge over others in securing a job. Thereby, the program would help them in exploring wide range of opportunities for their better career.

The program was inaugurated on 15th July 2019 in the presence of Mr. T. Anjaiah, Principal, Govt. I.T.I (Boys) Nizamabad, Mr. Ranadeer sagi, Associate Dean of Academics, Mr. G. Ranjith, Associate Dean of Students welfare, Mr. K. Mahesh, HoD, Mechanical Engineering and

the department teaching and non teaching staff members of RGUKT Basar and Govt. ITI Nizamabad.

During this one week, the students were trained extensively on CNC programming and had hands on experience on CNC machine. The students were also provided with training on Precision Lathe machine, measuring techniques, advance technologies like machining on Wire EDM, manufacturing using 3D Printer. A total of 34 ITI students have participated in the training program. The program was successfully completed on 20th July 2019 and certificates were distributed to all the eligible participants and trainers.
