Guidelines for Project Internship

1. The students who are interested to do project outside university, must complete the academic requirements of the course i.e. students expecting to go for internship outside must complete all compulsory courses (other than elective –not more than two) required for their bachelor degree. There should not be any active backlog.
2. If the student is already placed in a campus placement event, then the project can be undertaken in the employer’s place. It is expected that students must get some stipend during the work. In any other case, the HoD of the department must recommend the student for internship.
3. The students must get confirmation mail/letter from the organization for internship before the commencement of second semester. At the time of course registration, they must also register for the project internship.
4. Each student must have an internal project guide from the department along with an external supervisor at their work to monitor and guide the project.
5. Within 10 days of commencing the internship, student should inform the Internal Guide and HoD regarding the topic and/or domain in which the student is undertaking internship.
6. It is the responsibility of student to update the internal guide regarding the work. Internal guide is entrusted with the responsibility of closely monitoring the internship of his/her student and ensure that Project Internship is in line with the requirement of the University. Student has to send a report to Internal Guide and HoD on quarterly basis.
7. Every student going for project must present their work at department at the time of monthly tests. He / She must give a PPT presentation to a panel constituted by the department which shall include the Internal Guide.
8. For the partial fulfillment of Bachelor / Master Degree, student has to submit a final report with all supporting and valid data.
9. It is the responsibility of students to complete the Project Internship for their academic requirement. University/Department is not responsible for ensuring the completion.
10. The marks for evaluation of Project Internship is as follows:
 - Internal Evaluation: 20 marks, by Internal Panel based on monthly presentations.
 - External Evaluation by External Guide: 40 marks, to be submitted by Supervisor to the Internal Guide through confidential email/letter. If there is a problem, Internal Guide can decide the marks of the External Guide.
 - Final evaluation: 40 marks, by Project Evaluation Committee which shall include Internal Guide.
11. Students eligible for Project Internship should complete the Free Elective Course(s) in distance mode and have to attend the examinations along with the regular students for the Free Elective Course as per the dates announced by the Examination Section.
12. If any part or the whole project results in a publishable work, then the affiliation must reflect the university’s name. The Internal Guide’s name must be listed as a co-author.

Consent of the University for Project Internship Program

Date: _____

To

Dear Sir/Madam,
