CHEMICAL ENGINEERING

Dear Juniors,
The Students Orientation-Interactive programme is an opportunity for us to welcome you into our Chemical Engineering Department and to assist you in making the smoothest transition possibly.

We've a series of exciting and informative activities lined up for you. The Orientation Session Will give you an opportunity to get acquainted with the department, interact with our faculty, fellow new students, seniors and HOD.

Join us through-Google Meet:
<https://meet.google.com/bxs-eysh-nwt?hs=224>

We appreciate you in making the important career decision of choosing Chemical Engineering. We're sure that our department fulfills all your hopes, dreams as a student and launches you into a satisfying and productive career in the years to come.

Hope you all join us in Interactive Session.

Sincerely
- E2, Chemical Engineering
