

The Event named ChemCarnival -2k19 was organized by B.Tech(II) students of RGUKT, Basar on 25th September,2019 on the eve of welcoming their juniors(B.Tech(I)).

The objective of the event is to create the interaction between juniors and seniors.

The programme began with lamp lightening followed by speech addressing the audience.

The programme started with the seniors performances. The seniors enthusiastically performed welcome songs for the juniors. Then it is followed with the group dance performances where the Juniors and seniors gave outstanding performances.

As the performances were so splendid, the faculty members also wished the seniors and juniors for their well being and bright future.

Later the programme was followed with the award ceremony and title distribution. Awards were given to the seniors and juniors keeping in mind their caliber and capability they have shown throughout the session.

Lastly, the event was ended with a group photo of seniors, juniors along with the faculty.
