The Chairperson welcomed the members and presented the Agenda of the meeting. The members discussed the Agenda in detail and the following are the minutes of the meeting.

Item No. 1: Deliberations on implementation of AICTE Model Curriculum for Under Graduate (B.Tech) Engineering Courses

The Vice Chancellor has initiated the discussion and invited the inputs from all the members who are representing various engineering disciplines to follow curriculum as per AICTE from the Academic Year 2018 – 19.

All the HoDs have given their consent to adopt new curriculum with minor changes by understanding future developments in the subject. Such provisions are possible through BoS meeting. In this regard, respective departments have been asked to proceed for BoS meeting at departmental level to adopt curriculum. Any suggested changes can be incorporated only when it has relevance to higher level or it is pre requisite

Item No. 2: Discussion on topics to be included in induction program for E1 students and inviting write ups from concerned faculty

The Vice Chancellor has requested the faculty who are responsible for preparing the content for the Induction Program to submit the same by 26/06/2018 midnight so that same can be compiled containing the topics for Induction Program and will be sent to all the staff members of the University by 27/06/2018.

It is also decided to collect the data of the interested staff by inviting a one-page write-up on or before 28/06/2018, 10:00 AM and the same write-up to be mailed to one member in the groups formed.

Item No. 3: Proposal for commencement of Induction Program from 09/07/2018 instead of 02/07/2018

The Vice Chancellor has initiated the discussion and apprised the members that the Induction Program for the B. Tech – I year students of the AY18-19, as per previous schedule, has to be started from 02/07/2018.

However, as he said, the implementation of Induction Program cannot be started as per the previous schedule as the PUC students of 2015 and 2016 batches have been accorded special permission by the Vice – Chancellor to conduct special re-remedial examinations for their backlogs in PUC – I, Sem-I & II and PUC – II, Sem-I & II, so as to keep them the opportunity open to clear their backlogs and further to provide them the opportunity to resume their studies.

Accordingly, the re-remedial examinations for the PUC students of 2015 and 2016 batches have been scheduled from 03/07/2018 to 12/07/2018. The publication of results for these examinations is expected by 16/07/2018. The students whoever have cleared these examinations and meet the eligibility criteria, as per the admission rules, will be taken into consideration for branch allocation in E1.

After publishing the results, exercising allocation of branches will take at least 5 days, hence the branch allocation cannot be done before 21/07/2018.

In this regard, it is proposed that the Induction Program for the students who have already exercised their branch preferences may be started from 09/07/2018 which will go on for two weeks i.e., till 21/07/2018. The Induction Program for the students of

2015 and 2016 batches whoever clear their backlogs in the special re-remedial examination may be started from 16/07/2018 which will go on for one week i.e., till 21/07/2018.

The regular classes of E1 for all the students will commence from 23/07/2018.

Item No. 4: Conducting remedial examination for the students of PUC of the batches 2015 and 2016

Since university is offering 6 years B.Tech program, students who from telugu medium who couldn't immediately get on with English medium have backlogs may be give opportunity for clearing their remedial examination. All the members discussed in detail and finally decided to conduct remedial examinations of PUC - I, Sem - I & Sem - II and PUC - II, Sem - I and Sem - II for the students of PUC of the batches 2015 and 2016.

At the end of the meeting, the Vice Chancellor has thanked the members.
